

Recipe for Raw Apricot Delight

Makes 2 roll or 24 ball

Ingredients:

1+ 1/2 cup unsulphured & organic dried apricot
1/2 cup unsulphured & organic golden sultana raisins
1 cup almond meal
1+ 1/4 cup shredded coconut
1 tbsp coconut oil
juice of 1/2 lime
1/8 tsp cinnamon
seeds of 1/4 vanilla bean
1 heaped tbsp date paste, if needed
1/4 tsp turmeric powder
pinch salt
2/3 cup unsulphured & organic dried apricot
1/2 cup finely shredded coconut to roll

Place all ingredients (except 2/3 cup dried apricot) into a food processor fitted with the S blade and process until ingredients form a sticky ball. Add the 2/3 cup dried apricot and pulse a few times. Remove from food processor and form mixture into roll or small balls. Roll the mixture into about 24 small balls, then coat each one in shredded coconut. Transfer to an airtight container lined with a sheet of baking paper. They are the best if kept in the fridge.

Enjoy!
